### GOOD NEWS FOR OUR BLUE SKILLS PROJECT!

Our BlueSkills project has been recently endorsed by the [Union for the Mediterranean](#) (UfM). BlueSkills promotes opportunities for "Blue" marine and maritime careers by developing skills, exchanging knowledge and valorising research for more sustainable Mediterranean Sea. Its aim is to develop new curricula and increase employability in the marine and maritime sectors. By supporting the Euro-Mediterranean communities of the Blue Economy stakeholders through higher education, research and innovation, the project will enhance the shared knowledge of the Mediterranean Region.
